20th BIENNIAL SPORTOLYMPIADE | 12 - 18 MARCH 2027

27 August 2026

Dear DSJ Community,

Every two years, learners from the five German schools in Southern Africa come together for one of the highlights of the school sporting calendar – the Sportolympiade. In March 2027, our 55 talented athletes and coaches will proudly represent the Deutsche Internationale Schule Johannesburg at the 20th Biennial Sportolympiade, hosted by the Deutsche Schule Hermannsburg in KwaZulu-Natal.

The Sportolympiade is about much more than competition. It is an opportunity for our learners to challenge themselves, build lifelong friendships, demonstrate teamwork and sportsmanship, and proudly represent the DSJ on and off the field.

To ensure that our athletes are fully equipped and prepared for this unforgettable experience, we are appealing to our DSJ community for support.

Your sponsorship will help cover essential costs, including:

- Return bus transport between Johannesburg and Hermannsburg
- Official Team DSJ Sportolympiade kit, including: tracksuits, shirts, travel bag, backpack, sun cap, water bottles for all athletes and swimming towels, swimming caps and competition swimwear for our swimmers
- A contribution towards the Deutsche Schule Hermannsburg's catering costs of our athletes and coaches during the week-long event

The approximate cost of supporting one athlete is R6,500,00.

Whether you choose to sponsor transport or catering costs, or specific Team DSJ items such as tracksuits, shirts, travel bags, backpacks, sun caps, water bottles, swimming towels, swimming caps or competition swimwear, every contribution will make a meaningful difference and help ensure that Team DSJ can compete with pride. Companies sponsoring specific items will receive logo visibility on the items sponsored, as well as recognition through our Sportolympiade communications and social media platforms. We would be delighted to discuss customised sponsorship opportunities tailored to your company.

The Deutsche Internationale Schule Johannesburg is a registered non-profit organisation with Section 18A tax benefit status, and tax certificates can be issued for qualifying sponsorships.
