

Internship at the DSJ

The German School Johannesburg (DSJ) offers qualified students the opportunity to complete an internship in an international and intercultural school environment. As a school of encounter, we promote collaborative learning, research and exchange across cultures.

We welcome interns who have completed a Bachelor's degree and have already gained experience through mandatory internships in the educational field. We are particularly interested in applicants specialising in German as a Foreign Language (DaF) who are keen to work in a multilingual educational setting.

Please note that English at DSJ is taught as a first language and not as a foreign language.

Internships are offered for a maximum duration of 90 days.

Support with accommodation, visa matters and other administrative questions is provided.

Application:

Please submit your CV, letter of motivation and proof of enrolment.
